## **WOLF: An Evil Dead MC Story (The Evil Dead MC Series Book 4)** Nicole James

The Evil Dead Motorcycle Club gave Wolf his nickname. They said it was because women stood about as much chance with him as Little Red Riding Hood stood against the Big Bad Wolf. And maybe that was true.

For Wolf, when it comes to his club, he's all about loyalty. He loves his brothers, he loves the freedom of the road, and he loves his independence. When it comes to women, Wolf is all about the chase. He likes the hunt, he likes the challenge, and he loves women. And for the hot-as-hell badass biker, they've always come too easily. But they never fully satisfy him.

That is, until he met Crystal.

Buried under that hard-edged sexy-as-sin tomboy with the smartass mouth that can put any brother in the MC in his place, is a feminine side she only reveals when pushed. And Wolf is just the man to push. Problem is she's the only woman to ever push back. Which only makes him more determined to have her.

Life in the Evil Dead MC isn't easy, and neither is loving one of them. It's a life that can leave a man scarred and bloody. And sometimes the fallout is far reaching and takes more than a man is willing to give.

It can be just as risky for any woman brave enough to love one of them.

The scars of life run deep, for both of them.

Sometimes life doesn't give you a fairytale, sometimes you have to make your own. And sometimes it takes a spitfire to tame a hell-raiser.
