## **Reflections on the Moral & Spiritual Crisis in Education (Studies in the Postmodern Theory of Education)** David E. Purpel, Jr. William M. McLaurin

This book takes a sharply critical view of contemporary society with a searing indictment of our morally and intellectually bankrupt educational system. Uniquely, the book contains both the original version of David Purpel's highly influential *Moral and Spiritual Crisis in Education*, first published in 1989, as well as an updated critique of that work - reflections from our current times of growing despair about the directions of education and the nation. *Reflections on the Moral and Spiritual Crisis in Education* focuses on the possibility - and necessity - of generating hope through the redemptive and energizing power of the human spirit.
