## Key Contemporary Social Theorists

*Key Contemporary Social Theorists* is a comprehensive introduction to some of the most significant figures in social, cultural, political and philosophical thought of the twentieth century. This collection of newly commissioned entries offers students and scholars an authoritative guide on current contributions to contemporary social theory and social science. Preceding the entries is a well-organized chart of the main trends of development in social theory. The result is an invaluable reference work for all those concerned with central issues in contemporary social theory.
