Asha spent her childhood as a pawn to a power hungry dragon lord. Half Dragon Seer and half Fire Mage, she battles two incompatible sides of her nature, neither of which she can fully control.

Braedon, Huntsman and Fire Mage has one goal, and that is too see his sister safe from the humans who would hunt them.

But it is his growing connection to the Lady Asha that draws him into danger and dragon politics that could very well see him dead.

With loyalties tested and old enemies out for their blood, will the fire they produce together be enough to see them clear? And what,or who, will they have to sacrifice along the way?

Fire The Blood is the third book in the Dragon Mage Series. It is a romantic fantasy with adult content and situations. Each book can be read as a stand alone but they are better enjoyed in order.
