Do you always envy others for the life they have? Ever wanted to be someone else? Ever felt like your life was already decided for you by someone else?

Our villager answered Yes! To all these questions, as he was trapped in the repetitive farmer life until one day, when his dreams suddenly became real! They say you have to be careful what you wish for, as you might get it – in his case, he got way more than what he bargained for.

Read this book and follow the young villager in his adventures around the Minecraft world, as he discovers that life is never easy. From the muddy trenches filled with carrots to the depths of the End, his amazing journey is going to challenge all his beliefs. Stay with him and discover how unexpected each step he takes is, right from the beginning.

Each step he takes is going to make you cry, laugh and cringe, all at the same time. Are you ready for this adventure?
