This book is a collection of letters Louise received and answered over the years from people all over the world. The letters express deep concerns about 20 different topics-including addictions, dis-ease, family relationships, the inner child, and parenting, just to name a few. Louise believes that by reading about other people's challenges and aspirations, you can see yourself and your own problems in different ways. Sometimes you can use what you learn from others to make changes in your own life. We hope this book will allow you to realize that you, too, have the strength within to change, and to find solutions on your own-that is, to seek the answers that are within you.
