**The Nye Incidents** Whitley Strieber, Craig Spector

Lynn Devlin is a medical examiner who thinks she has seen everything Nye County has to throw at her. She copes with methodical, rational logic. But when a grotesque murder of a supposed alien abductee occurs that cannot be solved with her scalpel and microscope, Lynn finds her detachment is shattered, and her dreams haunted by large, dark, oval-shaped eyes. Now, only one thing is certain: There's a killer loose in the alien abductee community... human or otherwise!
