## **The Sacred Writings of Gregory of Nyssa: Extended Annotated Edition**

Gregory of Nyssa  
"The Sacred Writings Of ..." provides you with the essential works among the Early Christian writings. The volumes cover the beginning of Christianity until before the promulgation of the Nicene Creed at the First Council of Nicaea.

This volume is accurately annotated, including

\* an extensive biography of the author and his life

Gregory of Nyssa (c. 335 - c. 395) (also known as Gregory Nyssen) was bishop of Nyssa from 372 to 376, and from 378 until his death. He is venerated as a saint in Roman Catholicism, Eastern Orthodoxy, Oriental Orthodoxy, Lutheranism and Anglicanism. Gregory, his brother Basil of Caesarea and Gregory of Nazianzus are collectively known as the Cappadocian Fathers

Gregory lacked the administrative ability of his brother Basil, or the contemporary influence of Gregory of Nazianzus, but was an erudite theologian who made significant contributions to the doctrine of the Trinity and the Nicene creed. Gregory's philosophical writings were influenced by Origen, and he is generally considered to have believed in universal salvation. Since the mid-twentieth century, there has been a significant increase in interest in Gregory's works from the academic community, which has resulted in challenges to many traditional interpretations of his theology.
