#### **Mary Gobeil:**

Spent a free a chance to be fun activity to complete! A lot of people spent their down time with their family, or their own friends. Usually they performing activity like watching television, gonna beach, or picnic within the park. They actually doing same task every week. Do you feel it? Would you like to something different to fill your personal free time/ holiday? May be reading a book can be option to fill your totally free time/ holiday. The first thing you ask may be what kinds of e-book that you should read. If you want to try out look for book, may be the e-book untitled Airplane Design Part VIII can be great book to read. May be it may be best activity to you.

#### **Kent Brown:**

As a university student exactly feel bored for you to reading. If their teacher requested them to go to the library or even make summary for some e-book, they are complained. Just tiny students that has reading's spirit or real their hobby. They just do what the educator want, like asked to the library. They go to presently there but nothing reading significantly. Any students feel that looking at is not important, boring along with can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Airplane Design Part VIII can make you truly feel more interested to read.
