Bear My Fate 1 (BBW Paranormal Shifter Romance)

Sarah

My life was pretty sweet. I lived in New York City, the best city in world, near my family and friends. Had a budding kick ass career as a journalist, and had the best boyfriend on the freaking planet.

Or so I thought.

I mean, about the “best boyfriend on the freaking planet” part, anyway. It figures he would have some deep dark secret. It was just my luck. I guess I shouldn’t have been surprised, though. I always seemed to attract the weirdos. But the dumb thing is I still care about him, even after finding out his deep dark secret. I wish I didn’t. And I wish I didn’t have to hurt him.

Because now?

Now there’s a stranger invading my senses that I can’t seem to shake. His presence is driving me insane, and I don’t think I can control myself around him much longer. He says I’m his Mate, whatever that means. But there’s just one super teeny tiny problem...

He’s my boyfriend’s mortal enemy.

Not exactly ideal.

And I hope to God I’ll be able to survive them.

\*\*\*Bear My Fate is written in serial format with a freaking slew of cliffhangers. It’s awesome.\*\*\*
