Business, Ethics, and the Environment: Imagining a Sustainable Future

Joseph DesJardins

Business, Ethics, and the Environment: Imagining a Sustainable Future Joseph DesJardins

This book provides a framework for business ethics in the age of sustainability. The book examines the many ways that business is changing, and should change, to meet the demands of a sustainable future. This book blends philosophical and ethical analysis with real-world practical cases and examples to show what sustainable business can and should become. This book covers the shift to sustainable business models, environmental sustainability, alternative economic model of sustainable economics, sustainable production, and consumerism. People interested in the study of Business, Ethics, and Sustainability.
