Higher Hope: Tides of Truth, Book 2 Robert Whitlow

The Tides of Truth series follows one lawyer's passionate pursuit of truth--in matters of life and the law.

Competition is tough at the Savannah law firm where Tami Taylor serves as a law clerk. But Tami's work sets her apart--and the firm's partners see something special in her. So they assign her to a libel case against an abrasive, outspoken preacher who is either a prophet or a lunatic.

On the surface it appears to be an open and shut case; the preacher seems fully outside the bounds of law. And Tami's strict religious upbringing could be the firm's ace-in-the-hole. But as the investigation continues, Tami is troubled by the preacher's uncanny prophetic abilities. And their client seems to be hiding something.

Tami returns to her hometown, struggling with several critical choices--as two very different men from the firm vie for her heart. Just when the challenges seem insurmountable, hope for Tami arrives from a surprising place. And it's a higher hope than she's ever imagined.
