Hear the cannon roar at Valley Forge with George Washington, dance the night away at a Chicago Speakeasy during Prohibition, take a ringside seat for the gunfight at the OK Corral, ride Apollo 11 to the moon, hear Martin Luther King's 'I Have a Dream' speech, join with Harry S. Truman on the A-bomb deliberations, land with John Smith at Virginia, ride against Custer at Little Horn, get on down to Jimi Hendrix at Woodstock, march to 'The Grapes of Wrath' at Shiloh, work your fingers to the bone at Henry Ford's car plant . . . this is America - the beautiful, the powerful, the tragic, the glorious.

The Mammoth Book of How It Happened: America is the story of the making of America in the very words of those who were there, from its 'discovery' by Christopher Columbus to George W. Bush's War Against Terrorism. Composed of firsthand eye-witness accounts of the seminal moments in US history, this is an intimate, revealing, insightful guide to the greatest nation on earth.

In five chronological sections, this volume tracks the main phases of American history: Discovery, including the exploration and settlement of America; Independence, the Revolution and wars against British rule; Destiny, covering expansion into the West and the split between North and South; Frontier, including the settlement of the American West and the Indian Wars; and finally Century, the 100 years that saw America becoming a superpower on the world's political stage.
